MDHE Performance Metrics

- **Freshman Success Earning 24 Credit Hours**
 - UCM's most recent 3-year performance is 70.7%. Our benchmark goal is 69.2%
 - Next years 3-year benchmark goal will climb to 70.7%
 - To eclipse 70.7%...
 - the Fall 2016 cohort must have a 71.15% success rate in earning 24 credit hours in the first year
 - An unintended consequence of the way the calculation of the “benchmark” for this metric penalizes institutions even when they are making progress with this student success metric...
